JLOTS Exercise Program***

# Joint Logistics Over-The- Shore

**JLOTS**

**Loading / unloading of ships without fixed port facilities, in friendly or nondefended territory, and, in time of war, during phases of theater development in which there is no opposition by the enemy.**

**Two or more  
Services  
under  
Joint Commander**

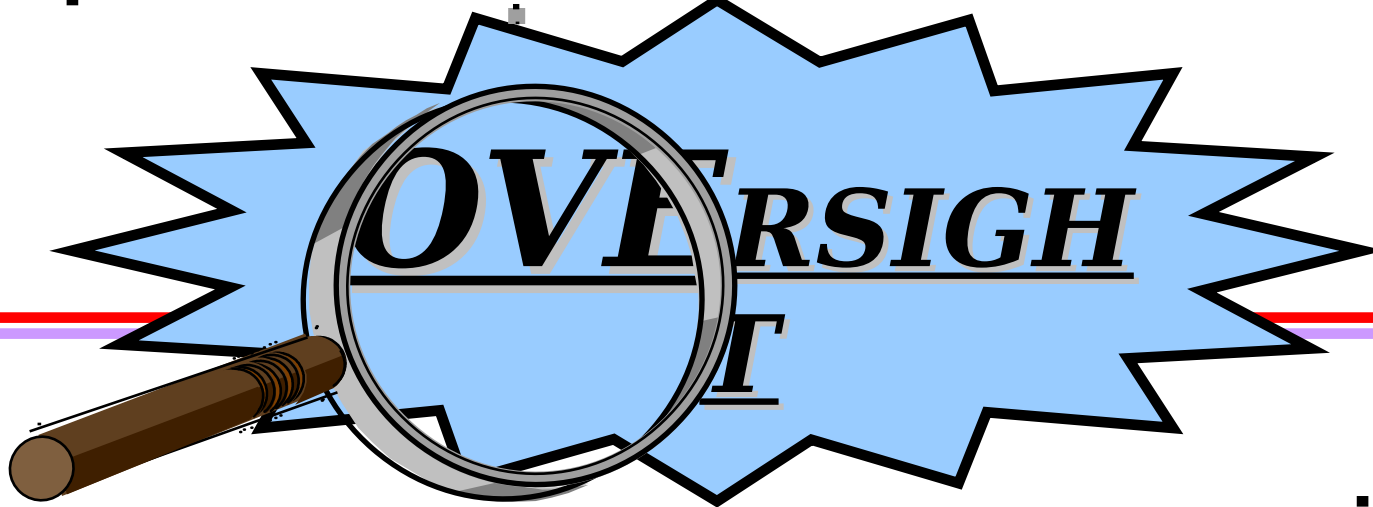

**USTRANSCOM  
Implementation  
Plan**

**Maintain oversight of the JLOTS Program**

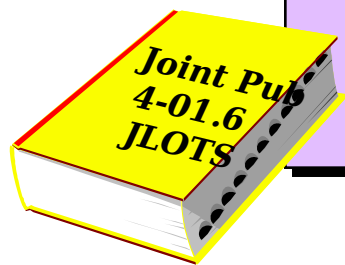

**JLOTS**

**JLOTS  
Planning  
Handbook**

- Advocate JLOTS Program
- Provide technical assistance
- Promote exercise integration
- Execute CJCS exercise funding
- Monitor Service POM
- Lead agent for doctrine

- Sea State 3 Capab
- Army Exercise Funding Shortfall

# JLOTS Exercise Program

- **Defense Planning Guidance**
  - Army/Navy conduct one liquid and dry cargo JLOTS annually in conjunction with a CJCS exercise
- **JLOTS exercise schedule**
  - FY95-99 two separate exercises (one liquid/one dry) conducted annually with CINCs on a rotational basis
  - FY00-05 one combined liquid/dry exercise conducted with CINCs on rotational basis
- **Funding**
  - USTRANSCOM programs JCS funding for airlift, sealift, and port handling/inland transportation
  - Services program O&M funds (O&M) to cover costs for unit participation

# Purpose & Objectives

- **Purpose:** Ensure DOD capability to support CINC deployment & sustainment requirements when & where seaports are inadequate, unavailable or unsuitable for cargo operations
- **Objectives:** Plan & execute operations that:
  - Exercise DoD's capability to off-load all types of cargo from all types of DOD/commercial vessels in various scenarios and environmental conditions including up to Sea State 3
  - Exercise interoperability between Services, industry, and host nation (systems, assets, procedures)
  - Exercise no-notice RRF vessel activation & load/discharge at port(s) and in JLOTS operations
  - Exercise MTMC's Single Port Manager mission including cargo offload, documentation, and interface to GTN

**BOTTOM LINE: Ensure Annual Training of JLOTS Operating Forces**
